AYN100 STORY

AYN100 Furniture trading LLC is one of the leading furniture company in UAE & INDIA. We provide the best quality products and services possible. Rowing our products offerings daily so that our customers have the best experience from us.

Be able to select and procure any furniture finish products under a single entity. Receive constant and dependable deliveries all across UAE and create a customer experience that is pleasurable while delivering peace of mind every time.

To accomplish this, we have employed the use of the best tools that technology has to offer. We listen to needs of our customers through social media and other channels when it comes to flooring and try to provide desirable products at a highly competitive price to the quality that we offer.

OUR CORE VALUES

At AYN100 Furniture trading LLC, we aim higher, we work to be a better company. This endeavor has its foundation in the manufacturing of modular carpet products that are well designed, durable, and comfortable underfoot; and is sustained through shared values of environmental responsibility, social accountability and economic fairness that make a positive impact wherever our products are sold or used throughout the world. We are, above all, a multinational company with a multicultural commitment to good global citizenship.
